

Shop 'til you drop

RULES: IDPA

COURSE DESIGNER: Lin Edwards

START POSITION: Shooter walking uprange from P1 towards SO.

SCENARIO: Your spouse has kept you out Christmas shopping until the stores closed. While walking to your car in the “empty” parking garage, you hear someone behind you say “Get ‘em” and when you turn you see two punks with guns coming towards you. You yell at your spouse to run to the car while you deal with the threat. As the first BG goes down another BG armed with a knife appears from behind a pillar and runs after your spouse.

STAGE PROCEDURE: Engage targets T1- T3 while moving to, or from behind cover. T1 & T2 require center “A” zone hits to fall and they must fall to score and to activate mover. Mover will be partially hidden behind non-threat when it stops.

SCORING: Vickers Count
RD COUNT: 4 minimum
TARGETS: 2 dropping, 1 mover
TARGET DISTANCE: 15 yards
SCORED HITS: Best 2 on mover; droppers must fall
START-STOP: Audible – Last shot
PENALTIES: As per IDPA rules
CONCEALED CARRY: Required
SPECIAL NOTES: You must be moving towards or be behind cover as long as T1 or T2 are still standing. You may engage T3 as soon as it starts moving as long as you comply with the foregoing. Since T3 is armed with a knife you do not need to maintain cover from T3.
